

Yes! Here's How You Can Save up to 30% on Cleaning!

Why is NOW the Best Time to Book Your Carpet, Upholstery, Tile and Wood Floor Cleaning?

Here's How You Can Save up to 30% on Cleaning!

Dear Clients, Friends, and Potential Clients,

You've been cooped up in the house for weeks. If you do not need cleaning now, you'll surely need cleaning when the Pandemic is over.

So, I've come up with an excellent way for you to SAVE BIG on your cleaning any time this year.

Right now, I'm sitting in my office wondering how our small local business can survive this, and how you folks in our area are faring. So, I've come up with a win-win situation for all of us. You'll be able to get your carpet, upholstery, tile, and wood floors cleaned at the **BIGGEST savings EVER**, and our small local business will be able to survive these times. Keep in mind we won't be running a special like this again!

It's **SPRINGTIME**, and we're usually **SUPER BUSY**. But few clients are calling. When this quarantine lifts, we'll be busier than we've **EVER** been.

Up to 30% Off on Carpet, Upholstery, Tile and Wood Floor Cleaning

Since we're slow, I've come up with a safe way for you to get your cleaning done now and save money while being home or later when this quarantine lifts. First off, we are disinfecting all our equipment after every job, and we are wearing masks, gloves, and shoe booties while we are in your home. Also, for everyone's protection, we can do a non-contact cleaning transaction through phone, email, or text. When we show up to your home or place of business to clean, we will call you. You can then unlock your front door and either go outside or to a different area of the house or office while we perform the cleaning services you want to be done. When we finish,

we will call you and send you your invoice instantly through email. You can take care of payment through either Venmo, Zelle, PayPal or credit card.

For those of you that may want to hold off on your cleaning needs right now, we've come up with a way that you can still take advantage of these BIGGEST saving specials also. If you purchase a gift card certificate now, we will give you the same discounts on the gift card, and you can use it any time this year for your cleaning needs.

Example: If you want to purchase a gift card for \$400, you will receive 30% off. So, you would get \$400 of cleaning for only \$280.

Plus, in combination with our hot water, truck mounted, steam cleaning process, we will apply an EPA registered disinfectant for absolutely FREE. With this dual cleaning process, we will remove any contaminants from your textiles and hard surface flooring and counters.

Here are the BIGGEST savings we will ever offer.

Save 10% on Any Cleaning Over \$150

Save 20% on Any Cleaning Over \$250

Save 30% on Any Cleaning Over \$350

We will NOT be running these specials again. **You MUST mention this letter.**

This offer is truly the best special offer we'll make all year long. You won't see this repeated. So, you must call **951-688-7777** right now to take advantage of these specials.

Let us know if you want the cleaning done right away, or if you want to wait until later in the year. Either way is fine. All you must do is call us, book your appointment or purchase a gift card to use any time this year. This way, you'll lock in your BIG discount.

If you want your cleaning done later, you'll have priority on your appointment because your cleaning is already paid. When the quarantine in place is lifted, we're going to be absolutely swamped. For other clients, we'll likely be booked out weeks in advance. But for you, you'll get priority scheduling.

Take advantage of this offer before we're booked or before this offer expires.
CALL RIGHT NOW AT **951-688-7777** because these discounts are only good
until May 1st.

Thank you and be safe,
